

ACKNOWLEDGEMENTS

Datadesk would like to thank the following people/organisations for their invaluable contributions to this study:

- All grant beneficiaries who participated in interviews and focus group discussions
- Members of the Reference Group:
Francie Lund, Debbie Budlender, Teresa Guthrie, Paula Proudlock, Monica Ferreira, Rose September
- Gavin Miller, Zaheera Mohamed, Petro Brink and Ayub Mohamed of the Department of Social Services and Poverty Alleviation
- Fieldworkers and fieldwork co-ordinators
- All other staff members of the Department of Social Services and Poverty Alleviation, André Brink and Henry Holloway in particular, who provided us with information
- All other people who granted us interviews and information
- Pieter Joubert of the Department of Sociology and Social Anthropology, University of Stellenbosch.

While appreciating your input and support, the Datadesk team accepts full responsibility for the research results.
