### Annex 1: Summary of main donor activity on PSIA to date

	World Bank	IMF	DFID	GTZ
<b>Primary Aims</b>	Help countries undertake PSIA to inform their national poverty reduction strategies, specific reform programmes and the Bank operations that support them  Systematic integration of analysis of potential distributional impacts of policy reforms in the Bank's operational work	Understand the effect of program measures on vulnerable groups—in particular the poor—and design measures to mitigate any negative effects.  Mainstream use of PSIA across Fund area departments	Support evidence-based policy and poverty focused policies  Support development of national systems which use PSIA as an integral part of their planning	Contribute to the systematic application of PSIA in a transparent and effective manner  Promote collaboration between WB and German Development Cooperation  Support informed debate and decision-taking in partner countries
<b>Policy</b>	Operational Policy 8.6 (10). PSIA should be carried out on all policies likely to have "significant distributional impacts"			
<b>PSIA Studies</b>	+/- 110 PSIA studies to date (Financial Year 2002-2005)  Funding for 28 PSIA studies for 2006 financial year	10 priority countries and reforms selected (primarily structural issues)	7 pilot studies  Other PSIA since have been done in Ghana, Iraq, Pakistan, Russia, Tajikistan, Vietnam and Yemen.	WB-German Poverty and Social Analysis Fund <ul style="list-style-type: none"> <li>▪ 6 PSIA studies in FY 2005</li> <li>▪ 9 PSIA studies selected for funding for FY 2006</li> </ul>
<b>Guidance notes</b>	PSIA User Guide, Good practice note, Sector Reform Notes		Principles for PSIA  Producing guidance notes for DFID country staff	Producing Guidance notes for German Development Cooperation staff
<b>Tools</b>	Tools for analysing impacts of Economic policies, Tools for Institutional, Political and Social Analysis (TIPS)		Tools for Institutional, Political and Social Analysis	Contribution to TIPS (instruments, comments)
<b>Training</b>	PSIA e-learning course	Some in-house training for IMF staff		Conference on PSIA and agricultural policy together with WB and IFAD
<b>Staff</b>	Centrally: Poverty reduction group (within Poverty Reduction and Economic Management Network) and Social analysis and policy team (within Social Development Group)	4 position PSIA team	1 ½ people centrally Negotiating secondment of political economist to IMF PSIA team	1 ½ people centrally 2 people funded for WB social development team
<b>Resources</b>	US\$11million to date (2002-2005)	Budget to cover personnel and travel costs of PSIA team from September 2004		c. US\$2 million
